

Get Smart™
PRESCHOOL

August

Dearest Valued Parents,

Get Smart Preschool is proud to announce our plunge into the ever so important month of August that precludes the 2017-'18 school year. This will be a year filled with the advancements, growth, and changes you all have come to expect from Get Smart and its staff. Preparation of classrooms has begun.

After school VPK has undergone dramatic changes since last school year. Anchored by the dedication and tutelage from our Broward County Teachers on staff, this new school year looks to be an enlightening one.

*The State of Florida tests our children at the conclusion of each program and Get Smart is proud to announce that most of our VPK graduates were able to read at a **FIRST GRADE LEVEL!** While academically impressive, what we enjoy as most noteworthy is our children's self confidence, enthusiasm, and increased eagerness to learn.*

With a strong focus on reading skills, Get Smart remains thankful for donations of outgrown books in good condition. Get Smart's book fair is in September and particulars will arrive home with your child.

The following is the curriculum that the school will be using for the upcoming school year 2017/2018;

We encourage our parents to become a part of our school family and welcome new ideas and thoughts as a strong tool in accomplishing our goals. On behalf of the entire staff here at Get Smart Preschool, I would like to thank you all in advance for allowing us to be part of this magical time in your child's life.

Sincerely,

Ms. Kathy
