

Welcome to 2017

What made 2016 a success for Get Smart Preschool?

In 2016 we have excelled as an academic institution and have created a buzz that we hope will result in adding to our enrollment. For our successes, I congratulate and thank the parent community and staff for spreading the word. A special thanks to the Early Learning Coalition for all their help and guidance through our spectacular year. In 2016 we have seen our highest employee growth since I became director back in July of 2000. To start 2017, Get Smart is proud to employ 25 teachers, 2 office workers, and one proud director. As a family, Get Smart Preschool continues to grow while exceeding expectations; enrollment tops 175 students and a well-trained and loving staff.

Our 2017 resolutions are of the simplest nature and come sincerely from my heart. We only wish to continue to cultivate the environment that has flourished here at Get Smart. Relying on the lessons we have learned throughout the years, the vast experience of our staff, the support of a loving parent community, and mostly the well intentioned hearts of our amazing students, Get Smart Preschool heads into 2017 knowing that the sky is the limit!

A special thank you and congratulations to our three top fundraiser cookie dough sellers Tennessee Northam, Makai Hanna, Christian Santos and to everyone that participated For a job well done.

It is wonderful to see every one again and we look forward to a year full of growth and success, both in our children and school. I hope everyone had a healthy, happy and safe holiday. We here at Get Smart Preschool wish everyone a prosperous New Year.
